

**THE NELSON MANDELA  
AFRICAN INSTITUTION OF SCIENCE AND TECHNOLOGY  
(NM-AIST)**

**Announcement of Partial Scholarships under the NMI-AIST  
(AfDB) Project, at NM-AIST for 2018/19 Academic Year**

The Nelson Mandela African Institution of Science and Technology (NM-AIST) in Arusha, Tanzania, has received support from the African Development Bank (AfDB), to strengthen its graduate and post-graduate programmes in Science, Engineering, Technology, and Innovation (SETI). These programmes are aimed at providing Africa with the skills needed to add value to its natural resources and to enhance its competitiveness and growth. In response to this support, NM-AIST has set aside a number of Master's scholarships for the Academic Year 2018/2019. These scholarships shall competitively be made available.

These scholarships are partial (**tuition fees and research support**) as per NM-AIST fee structure. The scholarships are open to both local and regional students and will run for two years. Initially, scholarships will be granted for one year and may be subsequently extended upon successful academic performance. While on the scholarships, students are encouraged to apply for additional funds to cover for other costs. Successful applicants are expected to report for studies on **14<sup>th</sup> January, 2019**.

**Eligibility criteria for scholarships**

- 1) Certified copies of academic transcripts and certificates in relevant fields.
- 2) NM-AIST admission letter.
- 3) A recommendation letter from the current employer and/or previous supervisor / educator.
- 4) A maximum of a 2-page of Curriculum Vitae (CV).
- 5) A maximum of a 2-page research concept note.
- 6) One page motivation letter.
- 7) Publications as an added advantage.
