

## **ICT Project Management Training 20<sup>th</sup> - 24<sup>th</sup> April 2020, Arusha - Tanzania**

Centre of Excellence for ICT in East Africa (CENIT@EA) at the Nelson Mandela African Institution of Science and Technology (NM-AIST) is organizing the first professional training on ICT Project Management. The event is scheduled to take place at the NM-AIST, Arusha - Tanzania from 20<sup>th</sup> to 24<sup>th</sup> April 2020.

The main objective of this professional training is to equip students with practical skills to plan, manage and execute ICT projects in industry. Pursuant to this goal, participants will detailed topics of the concepts of IT project management, including initiating, planning, controlling, executing, and closing projects with brainstorming sessions in teams for case studies in ICT projects.

Participants to this event includes selected students of Embedded and Mobile Systems under CENIT@EA at NM-AIST and students from universities from the East African region. In recognizing the importance of link with industry, the workshop will be facilitated by a professional consultant in Project Management.

The Professional Training is one of the core jobs of the center of promoting regional and international cooperation, applied-oriented training, and linkage with industries, with a strong focus on technology, innovation and entrepreneurship. CENIT@EA is committed to supporting the development of entrepreneurial and ICT-based solutions.

To register for the training, kindly fill in [this](#) form by 20<sup>th</sup> March, 2020.
